

Panama Canal Cruise

April 29 - May 14, 2010

Aboard Carnival Cruise Line's *Elation*

An incredible 16-day adventure including the Mexican Riviera for a **GREAT** price!

Carnival needs to move the *Elation* from California to the Gulf Coast for the summer. To do this, they're offering an incredible Trans-Canal cruise at a great price! This ship is one of Carnival's smaller vessels and does not offer balcony cabins. A few suites are available on a first-come, first-serve basis, so call for more information.

This cruise is over **\$600 less than our similar cruise offered last year** with Carnival, and it is a longer itinerary. If you've got the time, this will be an unforgettable experience. Call today!
